Baby Chicks

We will have baby chicks hatching in the Prekindergarten room the week of April 10th. Come and see the newborn chicks. This is a great opportunity for all of our students to learn about God's gift of life. Please remember not to touch the chicks or any of their equipment!

Raffle Baskets

Please turn in your themed basket raffle item by Friday, April 20th! If you are unable to find an item we are also taking monetary donations and we can purchase an appropriate item for you. This is our largest fundraiser for our art supplies for the upcoming year and need your help to make it a success. The baskets will be in the main hallway next to the computer starting week of May 1st for viewing and to purchase the raffle tickets.

Bicycle Safety Tips for your Family:

- ~Helmets are the single most effective safety device available to reduce head injury and death from bicycle crashes.
- ~Ride with traffic, not against traffic. Stay as far to the right as possible.
- ~Teach your children to make eye contact with drivers. Bikers should make sure drivers are paying attention and are going to stop before they cross the street.
- ~When riding at dusk, dawn, or in the evening, use lights! Make sure your bike has reflectors and/or wear clothes and accessories that have reflective materials to improve biker visibility to motorists.

Paper Drive

We are doing a Paper Drive all of April in honor of Earth Day. Please bring in paper and cardboard to our recycle bin located in our parking lot. Our goal is to double our normal amount recycled.

Our Monthly Mission

The Preschool & Prekindergarten children will be participating in the St Jude Hospital's Trike-A-Thon. The Trike-A-Thon will be on April 16th during Preschool hours in a blocked off section of our parking lot. If you would like your child to wear a helmet, you may bring their helmet in. Please help your child collect pledges from family and friends to help in St Jude's fight against childhood catastrophic diseases.
