

August 2019

# Family Night

Friday, August 23rd @ 6pm, will be our Family Night this year. This year's theme is based on the famous children's book *Where the Wild Things Are* by Maurice Sendak. Please plan to attend this important event to meet your child's teachers and to have fellowship with other families that attend our center. The event starts in the sanctuary for important announcements. Everyone is welcome, so invite family and friends. There will be fun hands-on activities for the children. Please bring your child's school supplies to the event for the upcoming school year.

## Reminders...

Please remember not to let people into our building. Please only allow our staff to determine who is allowed access into our Center. This is only for the safety of the children.

When making a payment to the Center please remember the below policies:

~Make checks payable to  
FBC Children's Center

~Loose money must be placed into an envelope with your child's name and amount of payment.

## Back to School Tips!

The first day of Preschool is August 26th so new families and students will be in the center. Please keep in mind that transitioning into a new classroom/school can take up to two weeks. Here are some helpful tips to make it easier:

- Arrive on time.
- Leave cheerfully, don't linger in the classroom.
- Discuss any fears beforehand, be reassuring and positive.
- Communicate with your child's teacher.
