## Crib Item Permission

I, \_\_\_\_\_, give Planting Seeds of Hope Children's Center permission to place the following in my child's crib while my child is inside the crib. (Please check all that apply)

- Pacifier
- Wearable Sleep Sack

I am aware that any item placed in a crib with a child is a potential suffocation hazard. I understand that placing this item(s) is not recommended by Planting Seeds of Hope Children's Center.
