PLANTING SEEDS OF HOPE

Monthly

Flu Season Reminders...

One of the Center's main goals is to keep a safe and healthy environment. You can help us reach this goal by keeping your child at home if they are sick and informing us of your child's illnesses. Remember that if your child exhibits the following flu symptoms then your child is unable to attend our Center; vomiting, fever of 101.0 or higher, diarrhea or a persistent cough. Please call the Center before 9am to call off your child and inform us of why, so we can take preventative measures. Be advised that if your child is sent home due to sickness they must have a doctor's excuse to return.

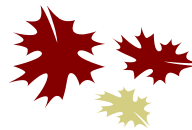

November's Monthly Mission

Our Center focuses on a monthly mission to help others every month. The November outreach for the Center is to participate in the Operation Christmas Child Ministry. This ministry reaches children who are in need all over the world by giving them a shoebox filled with items for Christmas. I hope your family can participate in this wonderful ministry. The shoeboxes are due Monday, Nov. 12th. Please place the shoeboxes in the main hallway. If you have any questions please ask Loreen Smith.

Fall Harvest Parties

The Preschool & Pre-K Classes will be having harvest parties Nov. 16th 11am until Noon. Please plan to attend this fun family event. Sign up sheets will be up beginning Nov. 2nd. Please sign up to bring an item for the party, if you are able.

The Center will be CLOSED Nov. 22nd & 23rd!

Our Birthdays

1st~Braelyn M.
